

ADDITIONAL LABORATORY-SPECIFIC OR JOB-SPECIFIC TRAINING LOG

Researcher Name: _____ PI/Laboratory Name: _____

Use this form to document additional training on specific laboratory procedures, laboratory equipment, physical hazards, or electrical hazards. Initial laboratory safety training should be documented using the [Stanford University Laboratory-Specific Training Checklist](#). Laboratory specific training on procedures involving **radioactive substances** or **lasers** requires separate documentation paperwork. Please contact Health Physics at 650-723-0448 for additional information.

Description of Training: _____

☐ Classroom training ☐ Online training ☐ Instrument training ☐ Hands-on/procedure ☐ Other: _____

Trained by: _____ Trainee Signature: _____ Date: _____
