IN A BUILDING EVACUATION: Go to the nearest Emergency Assembly Point (EAP) for check-in and instructions. Evacuation planning for persons with disabilities: diversityandaccess.stanford.edu

Accident

Report the emergency. Give first aid.
Stay with the victim.

Fire

Pull the fire alarm.
Evacuate the building.
Do not use elevators. Use stairs.

Earthquake

Duck. Cover. Hold on.
Wait until shaking stops to evacuate.
Do not use elevators.
Building damage must be assessed
before re-entry is allowed.

Active Threat

Run. Hide. Fight.
Report a threat or suspicious object.
Follow police instructions.

Power Outage

Assess the extent of the outage
in your area. Help others in
darkened rooms. Do not light candles.
Keep LED lanterns and flashlights
nearby.
